Carl Goltermann is an Analyst in the Corporate Finance Group at C. K. Cooper & Company, a full-service investment bank focused on providing superior and insightful research coverage to its clients; innovative investment banking solutions supported by sales and trading services; and portfolio advisory and management services for private clients.

Mr. Goltermann is responsible for facilitating the investment banking activities of the firm including relationship development, capital formation, valuation and fairness opinions, mergers and acquisitions, strategic partnering, and corporate advisory.

Prior to joining C. K. Cooper & Company, Mr. Goltermann worked in the equity research department of a boutique investment bank in Newport Beach, CA, where he focused on financial modeling, quantitative, and qualitative analysis for Alternative Energy and Technology companies.

Mr. Goltermann received a B.S. in Business Administration with an emphasis in Finance from the Argyros School of Business at Chapman University, located in Orange, CA. He is also a Licensed FINRA Broker (Series 7), Investment Banking Representative (Series 79), and a Registered Investment Advisor (Series 66).
