Grant Gordon is the Chairman of the Healthcare Advisory Board at C. K. Cooper & Company, a full-service investment bank focused on providing superior and insightful research coverage to its clients; innovative investment banking solutions supported by sales and trading services; and portfolio advisory and management services for private clients.

Mr. Gordon has founded various biotechnology companies, both public and private, building an expertise in finding opportunities that have often been overlooked by "big pharma". Apart from his depth of knowledge of the Healthcare sector he has a strong business background having founded his own fund management company in 1987, based in Asia which managed funds for Family Offices & high net worth individuals.

Grant is Scottish by birth, however has lived most of his life outside of UK & currently resides in California. Having lived in Asia, Marbella, Zurich & Vancouver he also enjoys international travel. Grant is married to Amy, & has 2 children, Derek & Kasey. Apart from finding interesting bio-pharma opportunities he enjoys golf, soccer & sports generally.
