Jeff Grampp is an Analyst of the Research Group for C. K. Cooper & Company, a full-service investment bank focused on providing superior and insightful research coverage to its clients; innovative investment banking solutions supported by sales and trading services; and portfolio advisory and management services for private clients.

Mr. Grampp joined C. K. Cooper & Company in December 2011. In his role, he is responsible for assisting the Senior Analyst in financial modeling, industry research, and general analytic support. Mr. Grampp also assists the Senior Analyst in the drafting of company and industry specific research reports related to the E&P industry. Prior to joining C. K. Cooper & Company, Jeff worked in Financial Planning and Analysis for a local government agency. He also has completed internships in the financial services industry and participated in scholarly projects with the local CFA Chapter.

Mr. Grampp is currently a CFA Level II candidate and is a Licensed FINRA Broker: Series 7, 63, 86 and 87. He received his MBA from Chapman University where he also received his B.S. in Business Administration and Accounting with emphases in Finance and Marketing.
