Kamala Connors is Research Coordinator of the Research Department. C. K. Cooper & Company, a full-service investment bank focused on providing superior and insightful research coverage to its clients; innovative investment banking solutions supported by sales and trading services; and portfolio advisory and management services for private clients.

Ms. Connors joined C. K. Cooper & Company in October of 2009 to grow the firm's Research Department. As Research Coordinator, Ms. Connors is responsible for reviewing and publishing all proprietary Equity Research while maintaining the companies research universe and report standards. She also maintains and expands relationships with the various publishing entities and entitlements to research to ensure accuracy and maximize exposure.

Ms. Connors has participated in various projects involving scholarly articles within the Healthcare and Social Psychology sectors. She has researched and presented on multiple public retail companies with particular emphasis on executive management / execution, technical stock analysis, media marketing strategies, and new product developments.

Ms. Connors graduated from California State University of Fullerton with a B.A. in Speech Communications with an emphasis in Organizational Communication and is a Licensed FINRA Broker (Series 7).
