Lewis W. Kreps is a Senior Analyst of the Research Group for C. K. Cooper & Company, a full-service investment bank focused on providing superior and insightful research coverage to its clients; innovative investment banking solutions supported by sales and trading services; and portfolio advisory and management services for private clients.

Mr. Kreps joined C. K. Cooper & Company in November 2009 to grow the firm's Energy Group. As a Senior Analyst, his expertise in the Oil Field Services Sector includes 15 years working in the industry for Dual Drilling Company as well as 13 years of research experience and sales with a focus on the Oil Field Services Sector.

Mr. Kreps has a strong background in the offshore and land drilling segments of the Oil Field Services Sector as well as additional expertise in marine transportation, helicopters and pipeline companies. While in the drilling business, Mr. Kreps was Senior V.P. of Business Development, Marketing and Contracts. In that position, he opened 10 foreign offices, negotiated all drilling contracts, was responsible for all asset acquisitions, supervised 800 employees worldwide and ultimately, helped sell the company to ENSCO.

He has received the following recognitions: 2001 Starmine #2 as Top Stock Picker for Oil Drilling, Equipment and Services; and 2001 Starmine #2 as Most Accurate Earnings Estimator for Oil Drilling, Equipment and Services.

Mr. Kreps received a B.S.C.E. from the University of Arkansas and an M.B.A. from Southern Methodist University. He holds series 7, 24, 63, 86 and 87 securities licenses. He is an Eagle Scout and remains active in the Boys Scouts of America.
